based upon the documents they have seen, the talks they have had with staff and students (where applicable) and the assessment through the use of the Quality Review self-assessment tool.

Meaning of the scores:

1. Partly realized

This is a signal that the Elos programme shows strong and weak points in this general indicator, but the most important criteria are still capable of improvement.

2. Mostly realized

The Elos programme shows more strong than weak points in this general indicator. The quality of some of the criteria could be further improved.

3. Completely realized

The school functions optimally in all or practically all of the criteria.
