SECONDED NATIONAL EXPERT TO THE EUROPEAN COMMISSION

Post identification: (DG-DIR-UNIT)	RTD-E-1
Head of Unit: Email address: Telephone: Number of available posts: Suggested taking up duty: Suggested initial duration: Place of secondment:	Doris Schröcker doris.schroecker@ec.europa.eu +32 2 295 58 69 1 2nd quarter 2022 ¹ 1 year ¹ <input checked="" type="checkbox"/> Brussels <input type="checkbox"/> Luxemburg <input type="checkbox"/> Other:
	<input checked="" type="checkbox"/> With allowances <input type="checkbox"/> Cost-free
<p>This vacancy notice is also open to</p> <p><input type="checkbox"/> the following EFTA countries : <input type="checkbox"/> Iceland <input type="checkbox"/> Liechtenstein <input type="checkbox"/> Norway <input type="checkbox"/> Switzerland <input type="checkbox"/> EFTA-EEA In-Kind agreement (Iceland, Liechtenstein, Norway)</p> <p><input type="checkbox"/> the following third countries:</p> <p><input type="checkbox"/> the following intergovernmental organisations:</p>	

1. Nature of the tasks

- Collect and provide evidence on industrial R&I strategies and EU positioning in key industrial and technological areas, link evidence and foresight, analyse emerging markets and technologies (including specifications for external support), provide input to policy initiatives such as common industrial technology roadmaps;
- Further develop and exploit the EU Industrial R&D Investment Scoreboard as a policy tool in support of research, innovation and industrial policy strategies and as input to the monitoring of progress towards the Green Deal goals;
- Identify, collect and exploit relevant sources and databases; analyse data, indicators, trends and related information, including patent analysis;
- Build a data and information infrastructure on industrial innovation strategies for regular and systematic underpinning, supporting and monitoring policy initiatives which address industrial R&I for the green and digital transitions and resilience, contribute to development of technology observatories;
- Draft and contribute to analytical reports, strategy papers, reports, factsheets and infographs, briefings, etc.;
- Help to develop the Unit's methods and tools further;
- Work with different tools and mechanisms: experts groups, databases, contracts and grants (under supervision of an official), events such as workshops, conferences etc.

2. Main qualifications

a) Eligibility criteria

The following eligibility criteria must be fulfilled by the candidate in order to be seconded to the Commission. Consequently, the candidate who does not fulfil all of these criteria will be automatically eliminated from the selection process.

¹ These mentions are given on an indicative basis only (Art.4 of the SNE Decision).

- Professional experience: at least three years of professional experience in administrative, legal, scientific, technical, advisory or supervisory functions which are equivalent to those of function group AD;
- Seniority: candidates must have at least one year seniority with their employer, that means having worked for an eligible employer as described in Art. 1 of the SNE decision on a permanent or contract basis for at least one year before the secondment;
- Linguistic skills: thorough knowledge of one of the EU languages and a satisfactory knowledge of another EU language to the extent necessary for the performance of the duties. SNE from a third country must produce evidence of a thorough knowledge of one EU language necessary for the performance of his duties.

b) Selection criteria

Diploma

- university degree or
- professional training or professional experience of an equivalent level

in the field(s) : economics, business administration, engineering or similar providing background in industrial management, industrial economics, innovation management, related indicators, statistics and analytical methods.

Professional experience

Experience in economics, economic and/or business analysis, industrial strategy analysis, technology analysis, policy analysis and advice for research, innovation and industrial policies with a regional, national, European or international perspective

Data collection, data analysis, methods, expert consultation

We look for an experienced, dynamic and motivated colleague who enjoys contributing to new endeavours. The work will be at the interface of research, innovation and industrial policy, with emphasis on the green transition and we would like you to bring background and experience in economic and business data analysis. The new colleague should be able to translate policy questions into indicators, data and IT requirements and into queries, and to perform data analysis and manage external support.

We expect the new colleague to be open for effective teamwork and cross-unit collaboration, pro-active, very well organised, diligent, getting things done and willing to learn. He/She will need drafting skills to produce information in techno-economic fields. Understanding of the policy context and knowledge of Commission priorities, notably the European Green Deal and with regard to industry, will be an asset.

Language(s) necessary for the performance of duties

Proficiency in English is essential, knowledge of French an asset.

3. Submission of applications and selection procedure

Candidates should send their application according to the **Europass CV format** (<http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>) in English, French or German **only to the Permanent Representation / Diplomatic Mission to the EU of their country**, which will forward it to the competent services of the Commission within the deadline fixed by the latter. The CV must mention the date of birth and the nationality of the candidate. **Not respecting this procedure or deadlines will automatically invalidate the application.**

Candidates are asked not to add any other documents (such as copy of passport, copy of degrees or certificate of professional experience, etc.). If necessary, these will be requested at a later stage.

Candidates will be informed of the follow-up of their application by the unit concerned.

4. Conditions of the secondment

The secondment will be governed by the **Commission Decision C(2008)6866 of 12/11/2008** laying down rules on the secondment to the Commission of national experts and national experts in professional training (SNE Decision).

The SNE will remain employed and remunerated by his/her employer during the secondment. He/she will equally remain covered by the national social security system.

Unless for cost-free SNE, allowances may be granted by the Commission to SNE fulfilling the conditions provided for in Art. 17 of the SNE decision.

During the secondment, SNE are subject to confidentiality, loyalty and absence of conflict of interest obligations, as provided for in Art. 6 and 7 of the SNE Decision.

If any document is inexact, incomplete or missing, the application may be cancelled.

Staff posted in a **European Union Delegation** are required to have a security clearance (up to SECRET UE/EU SECRET level according to Commission Decision (EU, Euratom) 2015/444 of 13 March 2015, OJ L 72, 17.03.2015, p. 53).

The selected candidate has the obligation to launch the vetting procedure before getting the secondment confirmation.

5. Processing of personal data

The selection, secondment and termination of the secondment of a national expert requires the Commission (the competent services of DG HR, DG BUDG, PMO and the DG concerned) to process personal data concerning the person to be seconded, under the responsibility of the Head of Unit of DG HR.DDG.B4. The data processing is subject to the SNE Decision as well as the Regulation (EU) 2018/1725.

Data is kept by the competent services for 10 years after the secondment (2 years for not selected or not seconded experts).

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, rectify or erase your personal data and the right to restrict the processing of your personal data. Where applicable, you also have the right to object to the processing or the right to data portability.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given below.

Contact information

- The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller, HR.DDG.B.4, HR-MAIL-B4@ec.europa.eu.

- The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

- The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor (edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the Data Controller.

To the attention of candidates from third countries: your personal data can be used for necessary checks.
